<p>It was a blustery day on Sunday with gusts that were formidable! Jace Millan battled these conditions successful and put up the high score of 585 28X!! We had 9 competitors and were able to give out 3 Gold pins and one Bronze! Joel and Brett won the "beautiful rifle" award with their pair of Wetherby Mk XXII's. You could also hear them both cursing these beauties regularly due to function problems. We had two participants in the clinic prior to the match including a junior. The clinics are open to new and experienced shooters and are a great opportunity to introduce the use of a sling, positions, and procedures. It's also a great time to function test your rifles and refine positions and methods. Next match and clinic are on Nov 26th. See you then!</p>
