Sunday was promising to be a beautiful social sunny day with fair temps and light wind. We got the match going a little after 8:00 AM and only had 1 eTarget hiccup. It turned out that the lower left connection to the mic had loosened up and dropped down about 1/8". Other than that the match sailed on with no problems.

In Stage#1 Todd Fasano had high score overall and in F-Class HM/MA category, Kelvin was high EX/SS and Marc Mittry was high sling. For Stage#2 Marc had high overall score, Martin Tardif was high F-Class HM/MA and Francis Lam took high EX/SS. Stage#3 again saw Marc snag high overall and in sling and Francis nabbed high F-Class while Martin was high HM/MA.

Marc Mittry was high score this Sunday and received the coveted OMW (Overall Match Winner). Tom Whitaker and Jeff Butler were Sling 1 and Sling 2 respectively...as opposed to Thing 1 and Thing 2. Martin Tardif accepted the less desirable, but nonetheless formidable FMW (you can figure it out) while Todd Fasano and Damon Martin were HM/MA 1 & 2. Francis Lam, sandbagging in EX/SS posted an impressive HM score to be crowned high EX/SS.

Thanks to Todd Fasano and Jeff Butler for target set up and Gane and Sam Edley as well as Jeff Butler for helping to break down. Next match will be Sunday, July 23rd.
