With triple digit weather predictions we started about an hour earlier than usual to beat the heat. After the inevitable attrition due to weather warnings we fielded 14 hardy contestants. The conditions ranged from 'bunny' to 'What the...?'. Gentleman Jim G. jumped on the 1st Stage Bunny and hammered out a 200-6x in Sling while 'Fraper la route' Jacques R. turned in a 198-13x in la F. Kelvin M. turned up the 'Heat' in the 2nd Stage with an impressive 199-9x in F while Rob A. 'Robbed' (Creedmoored) Marc M. in Sling. Todd F., tired of licking his wounds after an unfortunate 'faux croisés'...google it) on Stage 1 did his best "I'll be back." Arnold impression with a 198-13x in F as Ken L., lurking in the mid 190's all day, pounced on the 3rd Stage like the grenade that got us all with a 200-9x...which literally 'got us all'. It was enough to leapfrog over the field for Match Winner. Martin T. eaked out 1st loser by 1 point but hung on to best the other F-lings.

Thank you to all the shooters that helped set up and take down the pop-ups, targets and flags. The next match is scheduled for Saturday, August, 26
