Message: It was a beautiful day on Sunday with no rain and a record **16** competitors, many of which shot two guns! The pop ups provided enough shade to make the day very comfortable and the conditions were great. It was nice to see so many new and returning competitors with a great range of guns including Colt Python in .357! High score with a .22 was a 778-11x shot by Chris Liu who claims he hasn't practiced in months! High center fire was shot by Brand DiBella with a 757-8x. We've added several more pistol matches to the schedule this year and the next one is on May 28th. AND... we are now hosting the CMP Rimfire Sporter Rifle match right after the pistol matches so be sure to throw in whatever .22 rifle you have and join us for that as well. You can sign up for both on the BRRC website. See you all in May!
