It was a beautiful day on this Memorial Day weekend and we had 7 competitors take time out and join us. We debued two new prototype tables that Dan made which lived up to Dan's standard of being both "Fireman and Shooter proof"! The pop ups provided enough shade to make the day very comfortable and the conditions were great. High score with a .22 was a 805-16x shot by Barbara Crouse. High center fire was shot by Brand DiBella with a 786-10x. Our next match is on Sunday Aug 27th and may be on the 100 yard range depending on temp. As usual we are now hosting the CMP Rimfire Sporter Rifle match right after the pistol matches so be sure to throw in whatever .22 rifle you have and join us for that as well. You can sign up for both on the BRRC website. See you all in Aug!
