Message: It was a blustery day on Sunday. So much so that there were distinct moments of silence as the line waited for the end of a gust! Unfortunately, there is no waiting out the wind on a rapid much to everyone's dismay. Turn-out was great with 13 competitors, many of which shot two guns. We had a record number of center fire/.45 scores posted as well! George Carr had the high score on the line with a 803 14X. Next match is on Nov 26th so be sure to sign up. Also.. we will be hosting the Rimfire Sporter match after the BEP so be sure to bring your .22 rifles. I'll be hosting another Rimfire Sporter clinic at 10:30 on Bay 1 as well. You can sign up for both on the BRRC website. See you all in Nov!
