We started this month's match a little later (10 AM) to avoid the predicted morning high winds, this seemed to work out well wind wise and I know everyone appreciated being able to sleep in a bit later.

The match winner was Paul Schultz, 783-31. First in master class was Mark Gould 769-19. First in expert class was Hector Miro 754-12 Thanks to all who helped with the set up and take down of the match equipment. I was noticing how "well oiled" this process has become.

Good luck to all who will be attending the State Service Rifle Championships in Coalinga in a few weeks. It would be great to see one of our BRRC shooters come home with the Bear trophy!
