We had full on summer conditions for the June 2022 BRRRC XTC match. Mark Bower's Kestrel was reading 96 degrees as relay one was shooting their slow prone string. Fortunately, we were able to shoot that slow prone from the shade, so make that a 601 yard stage.

The story of the month was George Carr, who had not touched his service rifle in a year and bested the crowd with a strong 785-29X for the match win. Paul Shultz was a close second at 784-31x.

Thanks to all who helped with the match set up and take down today. Also thanks to Paul Shultz for helping to call the line.
