We were expecting hot temperatures for this months Across the Course match so we started an hour early to beat the heat. It was 95F when I left the range at 12:30pm. The competitor feedback on the early start was 100% positive.

Congratulations to Match Winner Ken Letwin 786-42. Also congrats to class winners:

Boris Batkin 1 st HM 779-28
Darren Rosenbaum 1 st Master 771-21
Bob Snedden 1 st Expert 758-17

There were two notable achievements this month. Darren Rosenbaum fired his PR (for a full distance XTC match) of 771. Bob Snedden has had a dramatic improvement in his return to High Power a few months ago. In the May match he fired a 681, in June he fired 736, and in July 758, that's 77 points in 3 months, wow.

Next month we will be hosting a "All Offhand" match instead of the usual Across the Course format. The format will be three strings of 20 shots offhand, prizes will be awarded. For those who want to come but not suffer that much offhand, we will be giving 30 minute block time for you to work on whatever you want. We'll have targets out at 200 yards, 300 yards, and 600 yards, you can shoot at whichever distance(s) you want in your block time. We will be starting early, 7am, and the line will go cold by noon.

I also wanted to shout out to our regular shooters who are attending the National Matches at Camp Perry and wish them all the best of luck at the matches!

Thanks to all who helped with the match set up and take down today. Also thanks to Rob Abelson for helping to call the line.
