We had perfect conditions for the October 8, 2022 XTC match, mid 70's temperatures and fairly calm winds.

The overall match winner was Ken Letwin 786-39x. Class winners were as follows:

First Expert Jason Zhu 744-17x
First Sharpshooter Bob Snedden 774-21x
First Marksman Sean Hedman 606-3x

Noteable scores on the day were Bob Snedden, shooting in the Sharpshooter class, was only 2 points away from a High Master score. Bob has shown amazing progress in his scores over the past 4 months. Ken Letwin shot a personal best 200-17X on the rapid prone stage including his first 100-10X string at 300 yards, it only took 11 years for that!

I also wanted to shout out to Steve Caplan and Brad Losey for coming to the match, I've known both of these guys for a long time, but mainly from other venues, so it was great to see them at BRRRC! Hopefully they will become regulars.

Once again set up and tear down was a breeze thanks to all pitching in!

Hope to see you all next month,

Stay Center,

Ken Letwin
