Match conditions were favorable for the July 8, 2023 XTC match, warm (actually not bad for July) and fairly still wind all day. I was pleased we had 12 shooters given we have some absences among the regulars due to the National Matches at Camp Perry and Camp Atterbury starting soon and some shooters away on vacation.

Congratulations to match winner Paul Shultz. He bested the field shooting 781-28x.

Class winners are as follows: (SEE PAGE 2)

- First High Master Ken Letwin 777-34x
- First Master Blake Aaron 769-21x
- First Expert/Marskman Chris Birchard 750-17

Winners of the individual stages are as follows:

- Standing George Carr 190-5x
- Rapid fire sitting Jeff Butler 198-2x
- Rapid fire prone Paul Shultz 198-10x
- Slow prone Ken Letwin 198-14x

As usual thanks to everyone helping to set up and take down the range. And thanks to everyone for their patience while we got the ShotMarker connectivity issues worked out.

I do want to announce that we have a new co-match director for the XTC discipline, Jeff Lovat. This was recently approved by the BRRC Board of Directors. Jeff is very qualified having been in a match director role at the Apple Valley Gun Club, Santa Margarita Gun Club, and the annual regional matches at 29 Palms. Jeff also serves as a volunteer at the Camp Perry National Matches. Jeff earned his Distinguished Rifleman badge in 2018, quite a shooting resume I'd say. I look forward to onboarding Jeff and having him help run the matches.

Next month's match will be the "All Offhand" match. We will shoot three 20 shot strings of offhand for the competition. For those who prefer to work on some other positions we will allow shooting at 300 or 600 yards during the 30-minute block time. I hope to see you there.
